

## Buybacks

Go2 Maintenance can offer buybacks by trading in your old handsets or headsets for the latest models.

### Headsets

Go2 Maintenance can help towards the overall cost of upgrading to an in warranty product. Why continue to have your headsets repaired when you can upgrade to new ones with a warranty.

Subject to the product make and manufacturer we can offer buybacks. The amount we can offer is generally based on the overall trade up, so if you are interested in finding out more on what we can give you for your old headsets please call now on 01925 768250 or e-mail [sales@go2telecom.co.uk](mailto:sales@go2telecom.co.uk).

### System Telephones

Have you recently upgraded your system and have redundant system telephones laying in the cupboard taking up valuable space? We can help get you money back off you old kit!

Subject to make and model, ask today about what we can offer for your old system telephones.

However if you are just simply looking to recycle your system telephones throughout your business let us help you. Go2 Maintenance can arrange to have your system telephones collected, fully tested and hygienically cleaned. The telephones will then be returned back to you as new, so you can then distribute them to another site or office.

**We offer buyback on most brands, ask today for more information and to see how we can help manage your out of warranty headsets.**

**Call and register with the Go2 Telecom sales team on 01925 768250.**

\* Please note any buyback offer is subject to change through the year and is not fixed unless prior agreements have been put in place.
